Jisc Cloud Services

Group:

This is a place to discuss Jisc Cloud Services and related topics, including cloud storage and research data management, amongst other things.

Jisc's cloud blog post is available at:

https://cloud.jiscinvolve.org/wp/ [1]

There you can read about whether cloud benefits [2]outweigh the challenges and what it costs to migrate apps to the cloud.

CESG has some useful documents on Cloud security guidance and best practice - just follow the link **https://www.cesg.gov.uk/cloud-security-collection** [3]
